### **13.15.1 Prohibited Expenses**

An institution or a representative of its athletics interests shall not offer, provide or arrange financial assistance, directly or indirectly, to pay (in whole or in part) the costs of the prospective student-athlete's educational or other expenses for any period prior to his or her enrollment or so the prospective student-athlete can obtain a postgraduate education. For violations of Bylaw 13.15 in which the value of the benefit received directly by the prospective student-athlete is \$100 or less, the eligibility of the prospective student-athlete shall not be affected conditioned on the prospective student-athlete repaying the value of the benefit to a charity of his or her choice. However, the prospective student-athlete shall remain ineligible from the time the institution has knowledge of receipt of the direct impermissible benefit until the prospective student-athlete repays the benefit. Violations of this bylaw remain institutional violations per Constitution 2.8.1, and documentation of the prospective student-athlete's repayment shall be forwarded to the enforcement staff.
