

NCAA RULES REMINDERS

RECRUITING MATERIALS

- Sports other than MBB may not be provided prior to September 1 of junior year in high school
- MBB may not provide until June 15 at conclusion of sophomore year
- May not use express mail services to send recruiting materials (except for NLI and other prescribed pre-enrollment information)
- Color attachments may be included in an email provided the attachment was not created for recruiting purposes. Some examples of permissible attachments to electronic correspondences include: media guides, questionnaires, information on www.georgiadogs.com
- A staff member may respond to a recruits written request prior to September 1 of his/her junior year, provided the reply contains an explanation of current NCAA rules and does not contain recruiting related correspondence.
