Arrangements can be made with Sandi Behr, 706-583-0850, to use a dining commons that is normally closed for dinner or the weekends. You will need a minimum of 100 campers and staff to open a facility. Please check with Sandi if you have a small group – there may be other groups utilizing the same date and time and you could be included in the 100 minimum count.

The Village Summit and Snelling Dining Commons are used for Freshman Orientation (FO) groups. Lunch time on Monday/Wednesday is very busy at both places. See below for the best time to have your group eat at these facilities on Monday or Wednesday. These times are based on last summer's FO schedule.

Snelling – 11:00a or 1:00p or later.

Summit – 11:00a or 12:45p or later.

We appreciate your patronage. To ensure the best experience possible for all camps, please follow your scheduled meal times.
