Effective Date: August 1, 2013

Category: Amendment

Topical Area: Recruiting

Rationale: As a result of the Presidential Retreat in August 2011, the Rules Working Group was formed and charged with reviewing Division I rules with a view toward reducing the volume of unenforceable and inconsequential rules that fail to support the NCAA's enduring values, and emphasizing the most strategically important matters. This proposal is part of a package recommended by the Rules Working Group designed to accomplish those objectives. It simply codifies policies and procedures that the Eligibility Center will continue to follow, regardless of their inclusion in the NCAA Manual.

Budget Impact: None.
